

BLANK DRAMA SCRIPT

You decide on the context and object

A: What's that you've got?

B: Nothing.

A: What do you mean, nothing?

B: Nothing. Just nothing.

A: Don't be silly, now. Of course it's something.

B: No, it's not. It's not anything.

A: If you don't give it to me I'll . . .

B: What? You'll what?

A: Don't talk to me like that.

B: I will.

A: No, you won't.

B: Will.

A: No!

B: Okay. All right. Sorry.

A: You'll just never learn, will you?

B: It's not fair.

A: Life isn't.

B: Well, it could be.
